

**2015 Coach of the Year -
Brian Samson
Sportsmanship Awards: Basketball, Spring & Fall Soccer and T-Ball**

Hi my name is Brian Samson, I am 33 years old, and have four children. I love teaching kids how to play a variety of sports. I am hoping that what I teach them, they will be able to use in many ways throughout their lives. When they finally accomplish what they have been working on, and I see the smile on their faces, it makes the time and effort worthwhile. I love when I am out and see so many kids that say, "hi coach." I would like to thank everyone who has helped me throughout my coaching journey: Jamie Samson for all the help organizing my schedule and reminding me to send out texts and emails, Wade Baker who has helped me coach soccer and football and Penny for all of her hard work and for answering any questions that I have. I am looking forward to another great year of coaching, and will make sure to have the five gallon bucket ready next year. Just remember, it's not about the win, but having fun,

getting better and learning as we go.
