Making a difference
one by one!

Everyone benefits from a successful mentoring relationship: mentors, youth, and the youth's family members.

Mentoring provides a young person with a wealth of benefits and has been proven to help young people enhance their self image and improve their grades.

Mentoring provides significant benefits to mentors as well.

Experienced mentors report they feel like they get more out of their mentoring relationship than they give!

Common Benefits of Mentoring

- ☺ Mentors and mentees make a difference in each other's lives.
- ☺ Mentors and mentees learn more about themselves through the mentoring relationship.
- ☺ Mentors and mentees are able to experience new activities together
- ☺ Mentors and mentees have fun together!

How do pairs spend their time together?

One on One mentors are able to spend time with the mentee either at school or in the community.

Mentors have the option of meeting on a one-to-one basis or take part in team mentoring. Team Mentoring matches 2-3 mentors with 2-4 youth. Required to meet 4 hours per month.

Possible mentoring activities:

- Play board or card games
- Prepare & eat a meal together
- Talk about friends, school, & hobbies
- Attend community events
- Participate in outdoor activities
- Visit local parks
- Visit the library and museum
- Visit the YMCA
- Volunteer at a local organization
