The Mason City Recreation Department relies heavily on local businesses and organizations to help offset the costs involved in offering several successful youth sports programs. The sponsorship fees assists in the purchasing of shirts, equipment, facilities costs and helps keep the entry fee low. As a sponsor your business name/logo would be printed on the back of the shirt of the team you sponsor and the team name would be your business name. You would also receive a photo of the team you sponsor. Please contact the office if you have any questions.
